Dear Slawomir,

On behalf of Educators and Scientists Free Trade Union of Georgia (ESFTUG), we would like to extend full support of Georgian teaching society to ZNP fair demand in terms of pay-raise of Polish teachers.

We, ESFTUG leaders always follow up and welcome all ZNP steps in favour of teachers' welfare in Poland.

We all agree that good teachers, decent working conditions are key factors of quality inclusive education for all. Education is a public good, a basis for economic growth and development of human capital.

We the unions are always in solidarity with all EI-ETUCE member organizations for objective strategy to establish better working conditions of educational personnel across the globe.

The ESFTUG represents voice of 41000 members of educational sectors of Georgia, we have mandate to convey full support of each Georgian teacher to polish colleagues.

We will circulate publicly about Polish teachers' - ZNP struggle, we reiterate our full support following up outcomes of your fair demand.

We wish you all success
In Solidarity

Maia Kobakhidze
